Headquarters  
Marine Air Reserve Training Command  
U. S. Naval Air Station  
Glenview, Illinois

Dear General Croft:

I thoroughly enjoyed my trip to Cherry Point and the occasion provided me to speak to your intelligence people about our Agency. I am particularly appreciative of the many courtesies shown me by you, Colonel Connell, and all your staff. You went out of your way to send your plane for me, set up a special luncheon, and make me feel at home.

Unfortunately, I will be unable to go to El Toro. Perhaps another time we can work out the necessary arrangements for such a trip.

Sincerely yours,

  
CIA Orientation Officer
